Project Name On-Call Engineering Services for Railroad Work & FRA Bridge Inspections

RFP # ASPA-TS-2024-02

NOTICE OF RESULTS

June 18, 2024

To the Responding Firms:

On behalf of the Alabama State Port Authority (ASPA), the Technical Services Department announces the following results for the Request for Proposals for the Project: On-Call Engineering Services for Railroad Work & FRA Bridge Inspections.

Successful Respondent:

Colliers Engineering & Design

Other Respondents:

Cowles, Murphy, Glover and Associates, Inc.

TranSystems

Volkert, Inc.

ASPA was pleased with the quality of teams that responded to the Request for Qualifications/Request for Proposals. Multiple teams presented themselves capable of performing the project at a high level. ASPA has selected the team deemed best to meet its current needs and perform all aspects of the scope of work. ASPA expects that other opportunities will arise and hopes that each team will continue to pursue work with us in the future.

As previously stated, the financial proposals of the non-successful respondents are being returned along with a Notice of Non-Selection.

Sincerely,
