

ALABAMA
PORT AUTHORITY
PORT OF MOBILE

TRUCK CONTROL TERMINAL

**Alabama Port Authority
Truck Control Terminal**
90 Industrial Road West
Mobile, AL 36602

DIRECTIONS:

From Pensacola, FL: Take I-10 west, proceed through the George C. Wallace Tunnel to the Water Street Exit, #26B. Proceed north on Water Street. Remain in the right lane and turn right at the fourth traffic signal (Beauregard Street/Exxon Station). Remain in the right lane, veer right and follow the green and white signs to State Docks Truck Control.

From Montgomery, AL: Take I-65 South and take Exit #9 at the I-165 Connector. Proceed on I-165 approximately six miles. Take the Alabama State Docks left lane exit as you exit the ramp of I-165. Turn left at the signal, remain in the right lane, veer right and follow the green and white signs to State Docks Truck Control.

From Mississippi: Take I-10 East to Exit #26B – Water Street. Proceed north on Water Street to the fourth traffic signal. Remain in the right lane and turn right at the fourth traffic signal (Beauregard Street/Exxon Station). Remain in the right lane, veer right and follow the green and white signs to State Docks Truck Control.
