

Alabama Port Authority
Addendum to R&P or Specification Booklet

Project Name Pier B South LED Lighting

Project No. 11685 **Task No.** 02 **Addendum No.** 1

To: Prospective Bidders

Date: 6/17/2026

The following items are clarifications to questions received. These items are hereby included in the bid documents by this addendum.

Item	Description
1.	The Pre-Bid sign in sheet is attached and is hereby incorporated into the bid documents by this addendum.
2.	<p>Question: The specifications state that bidders must hold a current Alabama General Contractor's License with a classification appropriate for this type of work; however, we were unable to locate the specific classification required for bidding this project. Can you please confirm the contractor license classification that the Alabama Port Authority intends to require for this project?</p> <p>Answer: Bidders must be properly licensed by the State of Alabama at the time of the bid opening. The prime contractor submitting the proposal must possess a valid license issued by the Alabama Licensing Board for General Contractors (ALBGC) with a major classification of Electrical (E), or a Specialty Construction (S) license with an Electrical sub-classification. Additionally, the firm or their designated electrical supervisor must hold an active Electrical Contractor (Master) License from the Alabama Electrical Contractors Board (AECB).</p>
3.	To confirm, the specified fixtures are for 277/480 V. Please refer to the Sheet E101 of the project plans.
4.	To confirm, <i>"the electrical contractor is to install new low voltage or wireless lighting control devices (nLight rPODB or approved equal) to serve the new high bay lighting fixtures. The New Lighting controls shall be 100% compatible with the new light fixtures. The contractor shall provide and install all additional conduit, cabling, boxes, etc. as required to install the new controls"</i> as noted on Sheet E401, Keynote 1 of the project plans.
5.	Outdoor flood lights shall include same control and programming features as high bay fixtures specified herein.

Please indicate your receipt of this addendum by adding the addendum number in the appropriate place in your Requisition & Proposal or Specification Book.
