ALABAMA PORT AUTHORITY

Project Name **RFP – ABB / Baldor Motors Procurement – McDuffie Coal Terminal Facility**

RFP # **RFP#: APA-2026-McD-ABB-Motors-002**

NOTICE OF RESULTS

November 4, 2026

To the Respondent Firms:

The Alabama Port Authority (APA) Procurement Department announces the following results for the above cited RFP Procurement:

Successful Respondent:
SOUTHERN CONTROLS, INC. – Total Contract Award Value = $231,600.00

Non-Successful Respondents:

Crawford Electric Supply
Mueller / Hydro Tech
Richmond Engineering Works
B&D Industrial
Alpine Industrial Services
Motion Industries
SAF Drives, INC.
Norfolk Bearings / Supply

APA was very pleased with the quality of Offerors that responded to the Request for Proposals. Multiple firms presented themselves capable of providing high level technically acceptable products. APA has selected the offeror determined as the Lowest Priced Technically Acceptable, best capable to meet current APA needs and all aspects of the RFP's scope of work. We anticipate additional opportunities for items of industrial / commercial equipment will arise from the APA and we hope that each offeror will continue to respond accordingly in the future.

Sincerely,

/S/

Terell Taylor,
Contracts Specialist
